

Nutcracker Parent Volunteer Form

We are all very blessed to have wonderful children and young adults who are eager and willing to perform in this magical production. As you know or can imagine, a production of this size and scope requires an enormous amount of time and effort by all of us.

Every year we present two or three performances to thousands of regional school children. These performances are at no or minimal cost to the school children. For many children, the Nutcracker may be their first and possibly only exposure to the art of ballet. In addition, we have a Friday and Saturday evening performance for the general public. The cost of sustaining this effort is extremely large. Every year we ask our parents and other family members to become actively involved in the Nutcracker experience. We recognize that this time of year is busy for us all, however if we all participate, the amount of time required by any one person is lessened substantially.

We need your help!! On the reverse of this sheet is a list of volunteer opportunities. **We are asking that each of our families commit to at least two volunteer activities.** This can be divided among different family members and different activities. Please let us know if you know any grandparents, aunts/uncles or supportive friends who would also like to help out. Please check the volunteer activities you are most interested in. We will call you to make final schedule dates and arrangements. We will try our best to schedule everyone in their preference, but please help us by being as flexible, as possible. Please fill out the information below and return it along with your contract and performance fees. We make every effort to contact ALL our Nutcracker families for their assistance.

THANK YOU!! YOUR HELP IS GREATLY APPRECIATED.
